The London to Brighton Team

We're delighted to announce that Pact Coffee is an official sponsor of London to Brighton Cycle 2024!

Pact Coffee works with the world's finest farmers to bring outstanding speciality coffee to UK consumers at a fair price, whilst improving lives and safeguarding farmers' futures at origin.

The London roaster has long celebrated the special bond between the cycling community and speciality coffee. They partnered with Tour winner Geraint Thomas in 2020 and 2021 to create a cycling-inspired coffee range, Gran Fondo, which is currently back on the menu for a limited run.

Pact has also sponsored the successful junior cycling team, Tofauti, since it began, and is now an official partner of London to Brighton.

To celebrate, you can enjoy a 20% discount on Gran Fondo coffees until 31st August. This is Pact's darkest roast, expertly blended to deliver mouthwatering natural flavours of dark chocolate and raisin. It's the most delicious caffeine kick to fuel your ride.

To claim the offer:

- Head to pactcoffee.com/gran-fondo
- Choose from filter or espresso-style coffee
 - Enter code **L2B20** at the checkout

Pact will also be attending London to Brighton this year so you'll have the chance to meet the team and grab yourself one of their delicious coffees!

GETTING HOME!

Southern Railway tend to ban bikes or only permit a very limited number of pre-booked bikes on the day, so we strongly advise you arrange to be picked up from Brighton or book our bike and coach transport (subject to availability).

Our return coaches will be leaving Brighton regularly from 12:30 onwards. These will operate on a first come, first served basis.

Bikes will be transported to Clapham Common in secure bike vans and will meet you there upon your arrival.

There is only a limited amount of spaces and once they're gone, they're gone! We expect these to sell out! Please book via the link below. This link is personalised to the rider this email is addressed to. Please DO NOT book anyone else's place using this form. If you need the link for other riders please email us at info@londonbrightoncycle.co.uk
